Professional – Museum Exhibit & Visitor Experience Design

Currently in Design & Development

The Nash Family House Museum – Buffalo African-American Heritage Corridor
New exhibits and interactive content for the Nash House.

Buffalo and Erie County Naval & Military Park
A new exhibit for the WNY “Wall of Honor” that encompasses both physical artifacts and interactive visuals commemorating service veterans from all branches and theaters of operations.

Completed Projects

New York State Department of Parks, Recreation, and Historic Preservation
“Niagara Falls Visitors’ Center Interactive Kiosks”
Designed and created a comprehensive overview of attractions, activities, and sites across WNY to inform visitors at Niagara Falls State Park.

Explore & More – Ralph C. Wilson, Jr. Children’s Museum
“Innovation – The Story of Silos”
Designed, produced and implemented an interactive exhibit for children (and adults) that tells the story of the silos of Buffalo and their place in innovation history.

Buffalo Philharmonic Orchestra – Kleinhans Music Hall
“BPO - 75th Anniversary Project”
Designed in partnership with Kittinger Furniture two, historically accurate, custom-built, interactive, educational kiosks in the lobby of Kleinhans Music Hall, home to the BPO. Wrote, photographed, and produced a series of presentations for use on the BPO’s website and retail sales including a history of the orchestra, the maestros of the BPO, a history of Kleinhans Music Hall, and more.

Strong – National Museum of Play
“Dancing Wings - New Exhibit Visitor Experience”

Enter a lush rainforest environment and walk among approximately 800 brilliantly colored, free-flying tropical and native butterflies that flutter about. Wrote & produced a series of video presentations for visitor education & preparation, for exhibit etiquette training & experience enhancement for the Dancing Wings Butterfly Exhibit.

Erie County Agricultural Society – Erie County Fair

“Harvester Simulation Exhibit”

Staged scenes from a working harvester with both GoPro and DSLR cameras for projection on large screens positioned near an actual harvester at the Erie County Fair’s Agriculture Discovery Center.

Buffalo and Erie County Naval & Military Park

Screenwriter & producer “We Stick Together: The Story of the USS The Sullivans,” short documentary about the greatest personal naval tragedy of WWII

Buffalo and Erie County Military & Naval Park

Screenwriter & producer “The War Beneath the Waves,” short documentary about the USS Croaker submarine in WWII

The Old Fort Niagara Foundation

Co-photographed & co-produced “*The Siege of Niagara: 250th Anniversary of the French & Indian War*,” a documentary on Old Fort Niagara on July 4th weekend 2009 capturing over three thousand re-enactors memorializing the key battle of the French & Indian War.

Buffalo History Museum - Buffalo Business First

“Buffalo Business Hall of Fame” 2017/2018/2019

Designed and produced on-screen visual materials for the BHOF, including searchable database, icon-driven touch screen interactivity, and a BHOF quiz.

Buffalo Maritime Center

“Museum Overview & Informational Interactive Exhibit”

Created a video history timeline of the Erie Canal and an overview of Maritime Center programs, and a preview of the building of an authentic canal packet boat.

Strong - National Museum of Play

“The Field of Play - New Exhibit Visitor Experience”

Begin your experience at a multi-media orientation presentation about the importance of play in human learning and creativity. See fascinating artifacts that illustrate the six major elements of play: Anticipation, Surprise, Pleasure, Understanding, Strength, and Poise.
